Love never fails...
 1Corinthians 13:8

Church we may fail at many things but God's love for us is always there to lift us up, encourage us and bless us. When we stay connected to the source, "Our Father", our love will never fail. And when we share this love with others they will not fail, in doing so we live out the plans and purposes of God.

Church, I would encourage each one not to give up on sharing the Gospel of Jesus Christ. It is all about 'living in the moment for God' and living out our faith. Give it a go, and reach out to those who feel unwelcome, unloved and unworthy, this is our journey in Christ, to show the love of God. Let the world see 'you', the church. Do not fear beloved!

**Much love,
 Pastor Rene**

When we have something to do or somewhere to go to, sometimes we may find that there is a hindrance or a difficulty that may stop us from doing it or going there. Now the question is, with that obstacle, do we decide to continue or decide to forego completing the task? Mikayla didn't say she didn't want to do it anymore, but instead suggested (more like forcefully asked me, actually) that I go with her. And while I was holding her hand on the way to my room, I didn't feel that she was scared, she was in fact walking ahead of me.

When you find yourself facing the unknown, always remember that God is always there with you. Don't let anything stop you from doing what you have to do. Seek God and you will find Him. He will never leave you nor forsake you. When you have the confidence that God is by your side, His light just shines in the darkness and you will find that you can do all things through Christ, who strengthens you.

One night while we were in the living room, I asked my niece, Mikayla, to throw her empty chocolate drink in the trash bin in my bedroom. She was willing to obey and was about to go when she saw that my room was unlit. She said that she was afraid of the dark and asked me to accompany her. So I held her hand and went with her to my room. I debated with myself whether to keep the light off and just ask her to throw the empty drink in the corner where I knew my trash bin was, or to turn on the light so she could see for herself. I decided to turn the light on and showed her that there was nothing to be afraid of. We then went back to the living room, with Mikayla happy and proud that she was able to do the task. It was a funny incident but it has encouraged me as I meditated on Joshua 1:9. Sometimes God uses simple and ordinary, everyday events to show us Who He is in our life.

The LORD Himself watches over you!
The LORD stands beside you
as your protective shade.
